The Grazia Story

ADRIAN'S MOTTO IS GRAZIA = GRACE.
GRACE IS SOMETHING WE ALL NEED EVERY DAY IN OUR LIVES.

Adrian began his career in the food industry as a dishwasher at a small Italian restaurant in Brenham, Texas. He worked his way up to lead the kitchen. Toward the end of college, he began working in food service sales. He worked his way up from Territory Manager, to Training Manager, to ultimately the Sales Manager for an Italian food distributor. Adrian took his role beyond sales and began helping his customers as if each were his own restaurant. From menu designing, employee hiring, training, buying, he worked alongside many owners to help them succeed. He grew tired of corporate America, and wanted something for himself. Adrian's entrepreneurial spirit brought him to his next stage in life. He quit his job, sold his house, and moved his wife and daughter in with his in-laws. They saved for a year to buy and build their first franchise. For the next ten years, Adrian worked in developing and branding restaurants. He had many trials and tribulations that not only did he learn from, but grew his faith in God stronger than what it was before.

At the heart of everything we do is to serve others.
Our belief is that our service should go beyond our kitchen and our doors. Grazia is a proud supporter of **local schools, athletic programs, community organizations, law enforcement** and **military** and **veteran organizations**.
